

# **The Mohawk Group**

## **LifeLoc® Solvent-Free**

### **Carpet Seam Sealer**

**For use with – Durkan, Karastan and Bigelow Commercial**

- **Non-flammable adhesive for seaming all types of thermoplastic polyolefin carpet.**
- **Creates impenetrable moisture barrier: offers perimeter protection**
- **High Strength: Exceeds 10,000 impacts at the seam**

#### **USES:**

The Mohawk Group Solvent-Free Seam Sealer Adhesive provides a polymer fortified adhesive bond and is recommended for sealing all thermoplastic back carpets.

#### **DIRECTIONS:**

1. Prepare carpet according to manufacturer's instructions.
2. Apply a bead of sealer along the carpet backing edge with an adhesive application bottle. Apply adhesive to only one side of carpet.
3. Complete the seam by butting both sections of the carpet together while the adhesive is still wet (5-10 minutes).
4. To completely seal the installation, lift up the perimeter of the carpet and apply 1/4" bead around the perimeter of the room and all stationary objects. Lay in the carpet over the seal so that the sealer makes contact with both carpet and wall or stationary object. When sealer is cured it will form an impervious barrier from topical moisture.
5. Smears of sealer on the surface are easily cleaned within 10 minutes by rubbing with a clean cloth, wet with soapy water. Avoid soaking carpet with water. Do not pour soapy water directly on carpet.

#### **SPECIAL FEATURES:**

- Creates impenetrable moisture barrier, offers perimeter protection
- VOC – Free
- CRI Green Label Plus Approved

#### **FIRST AID:**

In case of eye contact, flush with water for 15 minutes, call physician if irritation occurs. Skin contact – wash with soap and water. If swallowed, do not induce vomiting, call a physician immediately. For more detailed information, refer to the product material safety data sheet (MSDS).

#### **LIMITED WARRANTY**

Our obligation shall be to replace or pay for any adhesive proved defective. Beyond the purchase price of materials supplied by us, we assume no liability for direct, indirect or consequential damages of any kind and the user accepts the product "as is" and without warranties, express or implied. The fitness of the product for particular purpose or intended use shall be solely to the user.

#### **HANDLING PRECAUTIONS:**

Protect from freezing.

Keep out of reach of children.
